

4,000 SQ FT – MAXIMUM PLOTS (ALL ROADS 12 m)

Colony at the back (river bend) + resort at the front (main entry) | Survey Drg SU/10/01, 23.325 acres

AREA STATEMENT – COLONY

Use	No.	sq ft	acre	%
River-front villa plots	19	134,507	3.09	26.5
Villa plots	41	193,213	4.44	38.0
Roads – carriageway and verges		101,682	2.33	20.0
Garden medians (part of road land)		6,737	0.15	1.3
Riverside promenade garden (15 m river setback)		66,260	1.52	13.0
Other parks that meet the open-space test		5,120	0.12	1.0
Landscaped corners (too small to count as park)		3,769	0.09	0.7
7 ft walkway to the promenade garden		712	0.02	0.1
Total colony		**508,037**	**11.66**	**100**

SELLABLE: 327,720 sq ft = 7.52 acres = 64.5% of colony (60 plots)

OPEN SPACE meeting the BVN test (parks): 1.0% | with promenade garden: 14.1% (minimum 10%)

GARDEN VIEW: 56 of 60 plots face the river promenade, a garden median or a park

Resort: 11.77 acres, incl. the 15 m public access road (~0.76 acre) to be dedicated as a public road

PLOT MIX

19 river-front plots 5,275–10,853 sq ft (avg 7,079), backing onto the promenade garden

41 villa plots 3,616–12,277 sq ft (avg 4,712), typical 45 × 90 ft; no clubhouse

Every plot has direct road frontage and a regular shape (plot numbers in red = no garden view)

ROADS

Public access road 15 m: main entry → through the resort → colony gate

Gate entry road 12 m, plain (no plots on one side, so no median)

RD river drive 12 m, plain, avenue trees in the verges (~400 m long → 12 m under BVN Rule 38)

Garden streets S2, S3, S4: 12 m = 4.5 m lane + 3 m garden median + 4.5 m lane

All other streets 12 m, plain (no road narrower than 12 m)

DESIGN LOGIC

River-front plots back onto the riverside promenade garden – no median needed in front of them

A garden median runs only where it gives a plot its garden view – none at the gate entry, none on RD or S1

S3 and S4 carry medians along the V1–V42 and V8–V37 lines

Clubhouse and pool removed – they belong in the resort

Leftover strips and corners filled with plots or added to the neighbouring plot

STP, tank + tubewell and waste point in one services plot at the gate, beside the transformer (resort side)

TO CONFIRM BEFORE APPROVAL

River identity + HFL: if this is the Narmada, the 300 m rule leaves no buildable land

Open space: parks give 1.0% – T&CP must accept the promenade garden to reach 10%

RD could be 9 m if T&CP measures road length between junctions (≈ +2% sellable)

EWS/LIG by shelter fee (no land) – confirm in-lieu option under the 2014 rural rules

Scale calibrated to surveyed areas (~1:858); architect to redraw on the CAD survey

Concept for discussion only – not an approved drawing

River-front plot
Villa plot
Road
Garden median (road land)
Riverside promenade garden
Park (counts as open space)
Landscaped corner
7 ft walkway to promenade
STP / OHT / W = sewage plant, water tank + tubewell, waste point
Resort
